# Message FROM THE Director

Welcome to the Fall Choral Concert! I am more than thrilled to be directing the choirs of Clover Hill High School. It has been such a smooth transition from WV, and I truly feel at home. :)

The students have been working so hard, practicing both in and out of class, to bring you their showcase this evening. Performance ensembles are the only "classes" who have to publicly display what they have learned the past marking period, on a stage, in front of 100s of people :) These students are overcoming the fear of stepping out of their comfort zone and I couldn't be prouder.

I'm very grateful to all of the students, boosters, admin, and staff for embracing me right away and showing their support to me and this program. It has been a dream come true.

A special thanks to our Booster Board for going above and beyond and really making it possible for the students to have a successful year in the choral program.

I trust you will enjoy the show & hope to meet you afterward.

Sing'cerely,

Rachel Snyder,  
Choral Director
